A Word from our President, Jeanette Ward

Greetings Everyone,

Loved the words in this little photo that popped up on Glenda's phone : 'Get up, Dress up and Walk boldly through the Doors God opens for You this Week'. This Statement I felt tied in well with words that have been prominent in the Aglow National Office this week:

- Ferocious Faith (get Ferocious in Faith over the visions and what I have promised you)
- Supercharged(Psalm 103 verse 5b (TPT) You have supercharged my life so I can soar again like a flying eagle in the sky)

Hold ferociously to your faith in God's word, his promises and vision knowing you are supercharged by being filled with the power of the Holy Spirit.

Lots of love Jeanette

NFR News

After years of 'serving with love' Yvonne Bartlett in the role of NFR for Auckland, she is handing the baton on.

Yvonne, you can rejoice and be encouraged as you look across all these years and recall the many different gatherings, teachings, and speakers you have organized. And not forgetting the women who have risen to the call of leadership when you have invited them. You have done a wonderful job. We pray 'abundant blessings upon you' Yvonne.

A word From Yvonne:

My husband Bill and I are excited to announce we are moving. It's huge! It's not something I even imagined possible at the beginning of 2022. BUT GOD! He has made a way for us, both in our "retirement" year, to own our own home after 19 years, and led us to a lovely house in Inglewood, not too far from our grandies in New Plymouth. A total miracle! I'm sad to be leaving so many dear friends behind in Auckland but very excited about the new He is about to open up as we move forward with Him. Taranaki, here we come!

Yvonne Bartlett

It is with delight and joy we welcome Diane Scouller as the new NFR for the Auckland Region. When invited to this new position it became very clear that the Holy Spirit had gone ahead of us, the National Board, and prepared her heart to say: Yes.

A word From Diane:

Yvonne's invitation to take the role of NFR was a surprise which left me feeling deeply honoured and more than a little surprised. Yet somehow it seemed right, although there is no way I could tell you how or why! There is a real peace about it in my heart. I am aware of the huge responsibility involved, but also know that Yvonne and the National Board will be wonderful support and encouragement. I look forward to meeting many new friends as I grow into this role.

Diane Scouller

Dianne will continue as Local President for Auckland West Day.

NZ Zoom Summit Review

Joan Bennett, Executive Director Global Field Office - International

The Word of God and Relationship with The Holy Spirit are our Aglow Foundations

Local Aglows

Hamilton Aglow Prophetic Word 5 April 2022

I see Aglow as an extension to the hand of God reaching out to His people to draw them closer and prepare and train them for a world that is darkening more and more.

I see the hand of Aglow stretching forth into areas where many are forgotten. I see elderly coming out of rest homes and retirement villages and becoming an army of prayer warriors for the time yet to come.

I see the hand of Aglow moving through churches and uniting them in their pursuits of reaching those lost to the kingdom of God in their regions.

I see Aglow being a place of resource for local church communities to develop and grow their peoples gifts and being a place for connection and development among the body of Christ as a whole.

God is calling His people to a new level of faith, one where every believer personally hears from God so they are directed by Him in all aspects of their day. The people need to be equipped and connected and Aglow can be a light and beacon for this in their regions.

Upper Hutt 40th Birthday Celebrations 12 February 2022

This was held in the National Office with a great time of Praise and Worship, Prayer for the Local Board, shared dinner and wonderful fellowship.

Words given to this Aglow:

“Moving on: These past 40 years have not come to a close; it’s time to move forward and upward. Communicate and keep communicating.”

Study Materials

Testimonies from Zoom Game Changers facilitated by Ka Subritzky

Overseer Glenda Farr

- It would be hard for me to articulate the significant changes that I have seen/made in my life while going through this course – the impact on my life has been huge and you could literally see transformations happening before your eyes as the group met each week.
- I am sure that all of us who have recently finished Game Changers have a deeper understanding of “**all of heaven is attracted to the Jesus in Us**” that we see ourselves as the bride, that we can choose to change the atmosphere around us by simply understanding the favour upon our lives and sharing this with others. We more fully understand the anointing that we have to breakthrough in any situation – that we are overcomers! I think that many of us feel slightly invincible now as we partner with God in a more confident way.
- This has been a very timely and challenging course for me, highlighting many areas that I was already aware of in other contexts, particularly about ‘killing negativity’! I have found the manual extremely helpful in the way that each topic was presented and the depth of the material covered, but I am also aware that there is still much work I need to do in application of the principles presented of who I am in Christ.
- Participating in Game Changers is a precious journey of discovery of the Lord's amazing grace and love for all His children. It opens up fresh understanding of the Lord Himself and the extent of His commitment to us.

A study series exploring the foundations of the Christian Faith
